**TRANSITION (50 MIN)** - Once students have mastered the skills of our Learn to Swim classes, they are ready for Transition. In this class, swimmers are introduced to the other competitive strokes (backstroke, breaststroke and butterfly) whilst still improving and maintaining previously learned skills. The instructor will still be in the water to provide valuable feedback and stroke correction. This is the last level held in our teaching pool, providing the necessary skills for pathways into squad swimming. The next level, Mini Squad, is held in our 25m pool.

**MINI SQUAD (1 HOUR)** - This is the final level before our competitive swimming squads. This squad aims to improve and maintain correct technique in all four strokes. Swimmers will be introduced to a variety of drills to promote correct technique whilst also reinforcing swimming fundamentals. This class is a great springboard to competition swimming, surf lifesaving, waterpolo and securing great results at the school carnivals. **Swimmers are required to bring their own fins/flippers**
